To: *Board Members, Friends and Employees of Commonwealth Health Corporation*

This will be my last Christmas letter to all of you as President and Chief Executive Officer of Commonwealth Health Corporation and its subsidiaries. My wife, Chris, and I will be retiring effective Christmas Eve.

When I think back over my thirty-five years with CHC, I am very proud of all the organization has accomplished, and all the people who have been a part of its on-going success. I have been extremely blessed and supported by very bright, competent, and forward-thinking individuals. It has truly been an honor and privilege to have been of service to the community alongside such dedicated and caring people as you.

I have faith in our administration and staff, and feel confident about the future of CHC. This organization will continue to be a beacon for our community; offering stability, progress, and the highest level of care.

It is my sincere wish that you and your family experience the peace and joy of this Holy Season, and may the years to come bring you much happiness.

God bless you all,

John Desmarais  
President and  
Chief Executive Officer

# Immunity for our Community Flu Vaccine Campaign

It's winter and flu season is here! Employee Health thought now would be a good time to update you on this year's flu vaccine campaign.

## How the Immunity for our Community Campaign works

- When you received the influenza vaccine, whether at the Employee Health Office or during earlier special EH flu shot clinics, you were automatically entered in the random drawing.
- Each month—October 2010 through April 2011— there will be a random drawing of five employees.
- If your name is drawn, **You Win!** Your name is then removed from the random pool. If your name is not drawn, then you remain in the random pool through April 2011.
- Your chance to win begins as soon as you get your flu vaccine and you are then entered in the random pool.

## What Will You Win?

You can choose from such CHC logo prizes as a picture frame, a shirt, umbrellas, work out kits, MP3 players, tote bags, etc.

## Who has won?

### October Winners

- Juanita Mosley
- Vickie Taylor
- Addie Carter
- Cody Amos
- Randy Fathbruckner

### November Winners (call Employee Health at ext. 1263 to select your prize)

- Carla Reagan
- Wendy Brown
- Debra Hazel
- Anna Redwine
- Kennesha Alexander

## Is it too late to get the flu vaccine?

No, it is not! Please come to Employee Health (you do not need an appointment), between the hours of 7:00 a.m. – 3:30 p.m., Monday through Friday. Call 745-1263 with any questions.

## Remember:

- The single most important thing YOU can do to prevent influenza is to get the flu shot.
- You can't win if you don't get your flu vaccine!

## BRRCC wins Grand Marshal Award

Above: Retired Chief Petty Officer Vince Mitzan, therapist at BRRCC, honored the veterans by rendering a salute to them. Right: Stephanie and Stacie, children of Julie Tolliver, Dr. Tyree's billing manager, are holding the parade banner.

Dr. Craig Tyree and the staff at Barren River Regional Cancer Center (BRRCC) in Glasgow entered the Glasgow Christmas Parade December 4 with an entry of "A Salute to the Armed Forces Through the Decades." The theme of the Glasgow parade was "An All American Christmas." Veterans represented in the slide presentation on the float consisted of patients and families of Barren River Regional Cancer Center. They asked that everyone take a moment to think about those currently serving in the military and the sacrifices that they and their families make so that we can continue to have an All American Christmas. BRRCC received First Place in the Small Business Category and won The Grand Marshal Award.

## Santa visits Adult Day Care

Excitement was in the air at Barren River Adult Day Care Center this holiday season. The preparation began early as Santa enlisted the staff to become his "PRN" Elves. They eagerly assisted Santa by donating gifts to ensure all 74 clients enjoyed a special Christmas.

With everything in place, Santa (aka Kevin Hetzer from Performance Excellence) arrived as scheduled. The clients beamed with joy as he visited with them and passed out their gifts. Of course, the event would not be complete without a delicious meal prepared by the wonderful staff in Food Services at The Medical Center.

Last, but not least, was Christmas musical entertainment provided by former *ECHO's Got Talent* contestants Pam Lindsey of CFR and Adult Day Care's own Clarence Gilbert, who was accompanied by Leah Coleman, also from the Center. As always, it was another fun filled day at Barren River Adult Day Care Center...the Happening Place on the Hill!
